Re: L.E. Carpenter Project
Wharton, New Jersey

Dear Mr. Kaup:

Weston Services, Inc. (WSI) is pleased to submit, on behalf of the L.E. Carpenter Company, four (4) copies of the revised Report of Remedial Investigation Findings, L.E. Carpenter Company, Wharton, New Jersey Site, June 1990. This report incorporates responses to comments received from NJDEP in the following letters:

- Comments from EPA Region II and NJDEP on L.E. Carpenter, Draft Remedial Investigation Findings Report, dated 5 March 1990.
- Data Validation Review of L.E. Carpenter samples by the NJDEP Bureau of Environmental Measurements and Quality Assurance, dated 26 April 1990.
- Comments on Report of Remedial Investigation Findings, L.E. Carpenter and Company Site, by the NJDEP Bureau of Air Monitoring, dated 1 May 1990.

Comments from the first letter were discussed at a meeting among NJDEP, L.E. Carpenter and WESTON representatives on 25 April 1990. A complete summary of responses to each comment raised by NJDEP and U.S. EPA is being prepared and will be submitted within a few days.

Remedial investigation information which has become available since the completion of the November 1989 report has also been included in the revised report. These data include:

346336

NJDEP

Attn: Mr. Edgar G. Kaup

26 June 1990

- A discussion of November 1989 air monitoring results.
- A discussion of results from a second round of groundwater sampling conducted in January 1990.
- Results of tank inventory conducted in May 1990.

No revisions were necessary in Volume 3 (Appendices); therefore, Volume 3 has not been reproduced and has been incorporated by reference. In addition, the analytical results from the second round of sampling were previously delivered to NJDEP.

Should you have any questions regarding this report, please contact me. Thank you.

Very truly yours,

WESTON SERVICES, INC.
